

# Civic Action Project • Report

Effective citizens work toward solving problems and addressing issues. As individuals, they may or may not achieve their long-term goals. However, their efforts often pay off by making others aware of the situation, by building constituencies who will move the cause further, or by inspiring others to be more engaged.

You have worked to address a problem or issue and have examined the role that policy plays in this.

**Use this form to report on what you learned through The Civic Action Project and the impact of your efforts.**

Save this form using the "Save As" command, and give it a new name. Help is available on the [crfcap.org](http://crfcap.org) web site!
